

ADVENTIST EDUCATION IS ESSENTIAL

USA Students are Essential

OUR STUDENTS NEED FINANCIAL HELP TO BE A PART OF THE USA FAMILY. WITH GOD ALL THINGS ARE POSSIBLE. ARE YOU WILLING TO ACT IN FAITH AND PARTNER WITH HIM?

Here are the reasons students' needs are greater than ever:

- * Students left the Academy in March, unable to work the rest of the school year.
- * Parents lost jobs or had reduced hours during the pandemic.
- * Many students were unable to get summer jobs to help their bill for the coming year.

Union Springs Academy is in an exciting time in its history, beginning its 99th year of school in preparation for the Centennial 100th year! We believe more than ever, USA continues to be a vital, life-changing ministry for our young people in preparation for Jesus' soon return.

From our total student body, 50% include students who need financial help to attend USA. Whether you can give a one-time or monthly gift, your sponsorship to for students is greatly needed!

Thank you for giving a gift in faith today.
